General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

II. CREATION OF THE CONDOMINIUM; CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is:

☐ Proposed

☐ Recorded - Bureau of Conveyances:

Document No. _____

Book _____ Page _____

☒ Filed - Land Court:

Document No. 3442833

The Declaration referred to above has been amended by the following instruments [state name of document, date and recording/filing information]:

Land Court Condo Map No. 1809

The Condominium Map has been amended by the following instruments [state name of document, date and recording/filing information]:

C. **Bylaws of the Association of Apartment Owners** govern the operation of the condominium project. They provide for the manner in which the Board of Directors of the Association of Apartment Owners is elected, the powers and duties of the Board, the manner in which meetings will be conducted, whether pets are prohibited or allowed and other matters which affect how the condominium project will be governed.

The Bylaws for this condominium are:

☐ Proposed

☐ Recorded -

The Bylaws referred to above have been amended by the following instruments [state name of document, date and recording/filing information]:

D. **House Rules.** The Board of Directors may adopt House Rules to govern the use and operation of the common elements and limited common elements. House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the developer.

The House Rules for this condominium are:

☐ Proposed ☒ Adopted ☐ Developer does not plan to adopt House Rules

E. **Changes to Condominium Documents** Changes to the Declaration, Condominium Map, and Bylaws are effective only if they are duly adopted and recorded and/or filed. Changes to House Rules do not need to be recorded or filed to be effective.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming*</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u> X </u>	<u> </u>	<u> </u>
Structures	<u> X </u>	<u> </u>	<u> </u>
Lot	<u> X </u>	<u> </u>	<u> </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the nonconformity, and restrictions on altering and repairing structures. In some cases, a nonconforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

☒ [X] described in Exhibit "A" .

☐ [] as follows:

* See City & County of Honolulu, Department of Planning & Permitting Investigative Letter dated June 14, 2006 [Exhibit "F"] regarding the following:

- (1) Building Permit No. 586081 issued on September 20, 2006 for addition and alteration work to convert the dwelling into a two-story, two-family detached dwelling with four (4) all-weather parking spaces.
- (2) On April 7, 2006, a subdivision (File No. 2006/SUB-74) was accepted for the designation of a public utility easement (for an overhead 7.5kv power line in favor of HECO) affecting Lot 302 as shown on Map 152 of Land Court Application 1074.

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

☐ There are no limited common elements in this project.

☒ The limited common elements and the apartments which use them, as described in the Declaration, are:

☐ described in Exhibit _____.

☒ as follows:

Each unit will have, as a limited common element, the ground upon which it is located and a portion of the surrounding yard space as follows:

<u>UNIT</u>	<u>BUILDING ADDRESS</u>	<u>SITE</u>	<u>SQ. FT.</u>
1	Rear Bldg, 1418 Ala Mahamoe Street	1	4,638
2	Front Bldg, 1420 Ala Mahamoe Street	2	4,856

Each unit owner shall maintain, repair and keep in good order and condition, the limited common element appurtenant to such owner's unit.

NOTE: Land areas referenced herein are not legally subdivided lots.

3. Common Interest: Each apartment will have an undivided fractional interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

☐ described in Exhibit _____.

☒ as follows:

<u>Unit</u>	<u>Building Address</u>	<u>% of Undivided Interest</u>
1	Rear Bldg, 1418 Ala Mahamoe Street	50.00%
2	Front Bldg, 1420 Ala Mahamoe Street	50.00%
TOTAL		100.00 %

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "B" describes the encumbrances against the title contained in the title report dated June 9, 2006 and issued by Commonwealth Land Title Insurance Company.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[X] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage dated April 07, 2005 in favor of AMERIQUEST MORTGAGE COMPANY, a Delaware corporation filed as Land Court Doc No. 3254785.	<p>The Buyer's deposit shall be returned less Escrow Cancellation Fee. The Buyer may lose all rights to acquire the apartment.</p> <p>Further, should Buyer's deposit be disbursed by Escrow and the lien be foreclosed prior to conveyance to Buyer, Buyer may not be able to recover the deposit moneys.</p>

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

As to Unit 1 – Rear Building, 1418 Ala Mahamoe Street: One (1) year warranty on materials and workmanship from date of completion, which was February 05, 2006

As to Unit 2 – Front Building, 1420 Ala Mahamoe Street: No warranty. Sold as is.

SUMMARY OF THE PROVISIONS OF THE ESCROW AGREEMENT

Among other provisions of the Escrow Agreement, the Agreement provides that:

Disbursement from the escrow fund may be made to pay for construction costs upon certification and approval for payment by an architect or engineer, and approved by Seller's lender. However, the agreement further provides that no disbursement of Purchaser's funds shall be made until (a) Escrow is notified by Seller that Real Estate Commission has issued an effective date for a Final Public Report, superseding all prior reports, on the project and that each purchaser has been given a copy of said Final Public Report; (b) purchaser executes the form of Receipt for Public Report and Notice of Right to Cancel and waives his right to cancel; and (c) the completion of construction of the project and the forty-six day lien period has expired or Seller has posted a Surety Bond or submits title insurance with lien waivers.

Further, Purchaser shall be entitled to a refund of Purchaser's funds, and Escrow shall pay the funds to Purchaser, without interest and less Escrow's cancellation fee upon receipt by Escrow of a written request from Seller to return to Purchaser the funds of such Purchaser then held hereunder by Escrow.

Subject to such deduction as may be provided in the Sales Contract, and an escrow cancellation fee, the purchaser shall be entitled to a return of his funds, and Escrow shall pay such funds to the purchaser, without interest, upon purchaser's written request, and, if any, one of the following events has occurred:

(a) Seller has instructed Escrow in writing to return to the purchaser the funds of the purchaser then being held hereunder by Escrow; or

(b) Seller has notified Escrow in writing of the Seller's exercise of the option to rescind the Sales Contract pursuant to any right of rescission stated herein or otherwise available to the seller; or

(c) With respect to a purchaser whose funds were obtained prior to the issuance of the Final Public Report, the purchaser has exercised his right to cancel the contract pursuant to Section 514A-62, Hawaii Revised Statutes, as amended; and, upon any such cancellation, purchaser shall be entitled to a prompt refund of all monies paid, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00; or

(d) A purchaser has exercised his right to rescind the contract pursuant to Section 514A-63, Hawaii Revised Statutes, as amended, or

(e) If, in accordance with Part VI, Chapter 514A, Hawaii Revised Statutes:

i) no sales contract is offered to purchaser who was placed on the Developer's reservation list of owner-occupants, or upon a request from a person who is on the final reservation list but who has elected not to execute a sales contract; or

ii) the purchaser has been unable to obtain adequate financing, or a commitment for adequate financing, for his unit within fifty (50) calendar days following the end of the ten (1) calendar-day period during which the Developer is limited to selling to owner-occupants.

Upon the return of said funds to the purchaser as aforesaid, Escrow shall return to seller such purchaser's Sales Contract and any conveyancing documents theretofore delivered to Escrow pursuant to such Sales Contract. Other documents delivered to Escrow relating to the sale of the units identified in such Sales Contracts will be returned to the person from whom or entity from which they were received.

(f) In the event of default of the purchaser, purchaser's initial deposits shall be retained by Seller, as liquidated damages.

END OF EXHIBIT "D"

EXHIBIT "E"

SUMMARY OF SALES CONTRACT

The pertinent provisions of the sales contract for this project are as follows:

1. Deed:

Seller agrees to convey a good and marketable title to the property, free and clear of encumbrances except certain matters of record which do not materially affect the value of the property.

2. Binding Effect:

The contract also provides that, if it is executed and accepted prior to the completion of construction of the Apartment described herein, it will not be binding upon the Purchaser until; (a) An effective date for a Final Public Report superseding all prior reports, if any, has been issued by the Commission and true copy of such report (or a supplementary public report, if applicable) has been delivered to the Purchaser, either personally or by registered or certified mail; (b) The Purchaser has had full opportunity to read the report(s); and (c) The Purchaser executes the form of Receipt for Public Report and Notice of Right to Cancel delivered together with the aforesaid report(s) and waives his right to cancel.

Further the contract also provides that unless Purchaser has previously waived his right to cancel, he shall have the right to cancel this Contract prior to the earlier of (a) the conveyance of the Apartment to him, or (b) midnight of the 30th day following the date of delivery of the Final Public Report.

Upon such cancellation, Purchaser shall be entitled to a prompt and full refund of all monies paid, less escrow cancellation fees and other costs of purchase, up to a maximum of \$250.00.

EXHIBIT "E"

Upon such refund, all rights of Seller and Purchaser under this Contract shall terminate and neither shall have any further liabilities hereunder. If Purchaser shall fail to make any payment when required or fails to perform any other obligation required of Purchaser under the Contract, Seller may, at Seller's option, cancel said contract and all sums paid by Purchaser shall belong absolutely to Seller as liquidated damages.

3. Closing Date: The contract provides that the closing of a sale shall be 46 days after the date of completion as defined by Sec 507-43 Hawaii Revised Statutes, or if completed then not earlier than thirty (30) days after acceptance of contract by seller, or such later date as the seller may set. Although the contract does not so state, the law provides that sales contract, for owner-occupants, the sales contract may (but not required to) be conditioned upon Purchaser obtaining adequate financing or a commitment for adequate financing by a date which is not earlier than fifty (50) days after the Seller executes and accepts the sales contract.
4. Default: In the event of default in the making of any payments, or failure to close, the seller may (1) cancel the contract and retain all deposits or payments made prior to default, or (2) decide not to cancel but charge a late fee of 10% of the amount then due and not paid.
5. Assignment of Contract: The Purchaser may assign the sales contract, prior to pre-closing, only with the prior written consent of the Seller, who may withhold the consent as Seller's discretion.

Dear Mr. Tashima:

Re: Condominium Conversion Project
1418 & 1420 Ala Mahamoe Street
Tax Map Key: 1-1-027: 053

This is in response to your letter dated February 10, 2006, requesting verification that the structure on the above-referenced property met all applicable code requirements at the time of construction.

Investigation revealed that the one-story single-family detached dwelling with two (2) all-weather-surface off-street parking spaces met all applicable code requirements when it was constructed in 1958 on this 9,494 square-foot R-5 Residential District zoned lot.

Investigation also revealed the following:

- 1) On September 20, 2005, Building Permit No. 586081 was issued for addition and alteration work to convert the dwelling into a two-story two-family detached dwelling with four (4) all-weather-surface off-street parking spaces. An affidavit was issued with the building permit stating, "Upon completion, the entire structure shall be maintained as a two-family detached dwelling containing only one kitchen in each unit."
- 2) On April 7, 2006, a subdivision (File No. 2006/SUB-74) was accepted for the designation of a public utility easement (for an overhead 7.5kv power line in favor of HECO) affecting Lot 302 as shown on Map 152 of Land Court Application 1074.

For your information, the Department of Planning and Permitting cannot determine all legal nonconforming uses or structures, as a result of the adoption or amendment of any ordinance or code.

Vernon T. Tashima, Esq.
June 14, 2006
Page 2

No variances or other permits were granted to allow deviations from any applicable codes.

Conversion to a condominium property regime (CPR) is not recognized by the City and County as an approved subdivision. CPR delineates ownership; it does not create separate lots of record for subdivision and zoning purposes.

If you have any questions regarding this matter, please contact Mr. Ivan Matsumoto of our Commercial and Multi-Family Code Enforcement Branch at 527-6341.

Very truly yours,
